The Cliffs Announces Expansion of Cliffs Builders Team with Two New Hires

(TRAVELERS REST, S.C.) - [The Cliffs](#) announced today that Cliffs Builders has expanded its team with the addition of Vincent Fournier and Don Thompson. Fournier and Thompson will serve as dedicated project engineers for Cliffs Builders, a homebuilding program entirely operated by The Cliffs that launched in 2019. The expansion of Cliffs Builders will support the continued addition of new turnkey offerings across The Cliffs' private mountain and lake club communities.

"We are pleased to welcome Vincent and Don to the Cliffs Builders team as the demand for turnkey inventory continues to increase across our communities," said Rob Duckett, president of The Cliffs. "Vincent and Don bring added expertise to Cliffs Builders and will be a critical part of our success as we continue to add new home and amenity developments at The Cliffs."

Fournier most recently worked as a construction project manager for Yates Associates Construction Company in the British Virgin Islands where he oversaw the construction of luxury villas on several private islands. Prior to that, he served as vice president and associate of Les Projets Deraspe Construction Company in Montreal, Canada. Fournier holds a bachelor's degree in civil engineering from Ecole Polytechnique de Montreal.

Thompson brings twenty years of homebuilding experience to The Cliffs, most recently serving as project manager for Sineath Construction in Weaverville, North Carolina. He also served as vice president of operations for Deltec Building Company in Asheville, where he launched and managed a turnkey homebuilding company. Thompson is a member of the Asheville Home Builders Association and recognized as a North Carolina Accredited Master Builder and a North Carolina Certified Green Professional.

Cliffs Builders introduces a revolutionary approach to ownership at The Cliffs by marrying custom-build gratification with built-for-sale simplicity. Harnessing a team of local architects and craftsmen, Cliffs Builders continues to break ground on a range of luxury homes

throughout The Cliffs communities. Prospective residents can enjoy a high-quality home product with a 12-month estimated construction time or choose from a range of built-for-sale offerings. Homes boast refined finishes, elegant flooring, state-of-the-art appliances, designer hardware and artful landscaping. Each enclave of homes capitalizes on its proximity to key neighborhood and club amenities.

Prospective buyers can explore current availability at [Meadowview at The Cliffs at Walnut Cove](#) and learn about additional upcoming projects in the Asheville, Mountain and Lake Regions of The Cliffs.
